## Past president Roy Hamade presented Judge Brian Stevenson Award

Long time member Past Pres. Roy Hamade at his home on July 19, 2006 with a presentation of the Lions Foundation of Canada "Judge Brian Stevenson" Award. This significant award is only made to individuals who have been identified by their Lions Club, Zone, or District as highly deserving, and Lion Roy was very gratified to be so selected by his Club. His wife Kay was very proud to see Lion Roy so recognized today! As you can see we had a good turn out of our members.
