### Little old lady

A little old lady is walking down the street, dragging two plastic garbage bags with her, one in each hand. There's a hole in one of the bags, and every once in a while a \$20 bill comes flying out of it onto the pavement. Noticing this, a policeman stops her.

"Ma'am, there are \$20 bills falling out of that bag."

"Damn!" says the little old lady, "I'd better go back and see if I can gather up some of them. Thanks!"

"Well, now, not so fast," says the cop. "Where did you get that money? Did you steal it?"

"Oh, no," says the little old lady. "You see, my yard backs up to the parking lot of the football stadium. Each time there's a game, a lot of fans come and pee in the bushes, right into my flower beds! So, I stand behind the bushes with a big hedge clipper and each time some guy sticks his dick through the bushes, I say; '\$20 or off it comes!'"

"Hey not a bad idea!" laughs the cop. "Ok, good luck! By the way, what's in the other bag?"

"Well," says the little old lady, "not all of them pay up."

### Discretion!

Six retired Floridians were playing poker in the condo clubhouse when Meyerwitz loses \$500 on a single hand, clutches his chest, and drops dead at the table.

Showing respect for their fallen comrade, the other five continue playing standing up. Finkelstein looks around and asks, "So, who's gonna tell his wife?"

They cut cards. Goldberg picks the two of clubs and has to carry the news.

They tell him to be discreet, be gentle, don't make a bad situation any worse.

"Discreet? I'm the most discreet person you'll ever meet.

Discretion is my middle name. Leave it to me."

Goldberg goes over to the Meyerwitz apartment and knocks on the door.

The wife answers thru the door and asks what he wants?

Goldberg declares: "Your husband just lost \$500 in a Poker game and is afraid to come home."

"Tell him to drop dead!" yell's the wife.

"I'll go tell him." says Goldberg
